

**Marine Salmon Interactions (MSI) Publications (ABL Staff in Bold)**  
**Listed chronologically by year (most recent year first) and alphabetically within year**

***Workshop Posters and Published Abstracts***

**2001**

- Orsi, J. A., M. V. Sturdevant, J. M. Murphy, D. G. Mortensen, B. L. Wing, A. C. Wertheimer, and W. R. Heard.** 2001. Southeast Alaska coastal monitoring for habitat use and early marine ecology of juvenile Pacific salmon. Auke Bay Laboratory, National Marine Fisheries Service, 11305 Glacier Highway, Juneau, AK 99801. Abstract and poster presented at the NEP GLOBEC meeting November 13-16, 2001, Seattle, WA.
- Heard, W. R.** 2001. Alaska salmon enhancement: a successful program for hatchery and wild stocks. Abstract and presentation at 30<sup>th</sup> U. S./Japan Natural Resources Aquaculture Panel Technical Symposium, Dec. 3- 4, 2001, Mote Marine Laboratory, Sarasota, Florida.
- Purcell, J. E., **M. V. Sturdevant** and C. P. Galt. 2001. The importance of appendicularians as prey of vertebrate and invertebrate predators: a review. Presented at Response of Marine Ecosystem to global change: Ecological Impact of Appendicularians. NATO Advanced Research Workshop. Observatoire Oceanographique, Villefranche sur mer, France Dec 15-20, 2001.
- Sturdevant, M. V. , J. A. Orsi, M. Sigler.** 2001. Experimental evacuation rates of sablefish fed juvenile chum salmon and implications of sablefish predation in coastal Alaska. Abstract and poster presented at the 20<sup>th</sup> Northeast Pacific Pink and Chum Salmon Workshop. March 21-23, 2001 School of Aquatic and Fisheries Sciences, Univ. Wash., Seattle, WA.
- Wertheimer, A. C., W. R. Heard,** and W. W. Smoker. 2001. Effects of hatchery releases and environmental variation on wild-stock productivity: consequences for hatchery enhancement of pink salmon in Prince William Sound, Alaska.. Abstract and presentation at Simon Fraser University Workshop: Hatcheries and the Protection of Wild Salmon. June-6-7, 2001. Vancouver, B. C.
- Wertheimer, A. C.,** and T. Haverland. 2001. Southeast Alaska Salmon: An Example of Sustainability or Just Plain Lucky? Abstract and presentation at Pacific Rim Wild Salmon and Steelhead Conference, November 5-6, 2001. Portland, OR.

**2000**

- Orsi, J. A., M. V. Sturdevant, J. M. Murphy, D. G. Mortensen, B. L. Wing, A. C. Wertheimer and W. R. Heard.** 2000. Southeast Alaska Coastal Monitoring for habitat use and early marine ecology of juvenile Pacific salmon. Poster and abstract for North

Pacific Anadromous Fish Commission NPAFC International Workshop. Factors affecting production of juvenile Salmon: Comparative studies on juvenile salmon ecology between the east and west North Pacific Ocean. October 29, 2000, Tokyo Japan.
